

**Name:** *Seafoam Boulders*

**Description:** Much like a light dusting of foam at the water's edge, these boulders provide a calming, tranquil effect. These captivating gray-green boulders are the perfect addition to any landscaping project or outdoor space. Whether you're creating a serene garden retreat, a Zen-inspired meditation space, or a picturesque water feature, these boulders will be the centerpiece of your design. Their calming colors create a harmonious contrast with vibrant greenery and florals, making them a versatile choice for both modern and traditional landscapes.

**Sizes:** 1', 1.5', 2', 2.5', 3', 3.5', 4', 4.5', 5'

**Color:** Gray and green

**Geology:** Granitic
